mobilePOS

Food and Bar Service POS

Imagine a world where you no longer have to worry about the day-to-day hassles of running your business because it's being handled for you. Imagine not having to wonder if your supplies are running low, or worry about calculating payroll on time, or if your marketing efforts are effectively working!

The great news is, you no longer have to with the Card Concepts Point of Sale System. Our mobilePOS manages inventory and staff, tracks customer movements and purchases, and has all the tools the Fortune 500 companies have, at a fraction of the cost. The only tough job left for you to do is decide what you'll do with your new free time and added income.

Generate Additional Revenue and Cut Costs in a Matter of Seconds

Cut Costs!

- Eliminate employee theft and mismanagement

- Automatically generate reports that identify your least profitable items and areas

- Quickly train new staff with helpful tutorials and videos

- Eliminate unnecessary monthly fees that you're paying to other POS companies

Generate Revenue!

- Powerful loyalty programs - promote repeat business

- Virtual Couponing

- Automatic marketing campaigns – email customers on their birthdays or customers who haven't visited recently
